Math Problem Solving 2 (JRU)

Maliyah has 43 pink erasers,  
32 blue erasers and 10 green erasers.

How many erasers does she have?

Show your Work:

$$\begin{array}{r} 85 \\ 80 + 5 = 85 \\ 5 + 80 = 85 \end{array}$$

Explain your thinking

First I put 43 pink erasers  
Then I put 32 blue erasers  
Next I put 10 green eras  
last I count, it all together  
now my answer was 85 eras  
85 erasers.
